BARNSTEAD

Brook Trout Fishing on a Barnstead Stream

Located on Route 28, F. Carl Knirsch, Regional Councilor. Only a little over two hours drive from Boston in the heart of the Lakes Region, Barnstead is a quiet picturesque town with lots of historic background, but within easy reach of seasonal activities and entertainment. There are nine lakes and ponds, with building lots available, within its boundaries; six boys' and girls' summer camps enjoy the facilities and advantages of the town, in addition to a seaplane landing base on Upper Suncook Lake. Ninety miles of roads running among its lakes and hills, with the Belknap Mountain Range rising in the north, make it ideal for scenic drives. The large summer group who reside on the shores of the lakes are bonded together in an association for the improvement and betterment of community life, showing a great deal of civic pride among the summer as well as the year round residents. For industry, there is one factory, a novelty woven braid factory, in addition to quite a bit of farming. For Spiritual guidance there are four Protestant Churches and one Catholic Church. Nine Community Clubs made up of various interests keep neighborhood activities going, together with its being a fisherman's paradise and a hunter's dream. A town well worth visiting. We have two Volunteer Fire Departments with five fire trucks and an ambulance which gives Barnstead fire protection and ambulance service that we are proud of.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Barnstead in the County of Belknap in said State, qualified to vote in Town Affairs:
[L. S.]

You are hereby notified to meet at Town Hall in said Barnstead on Tuesday, the 9th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.
3. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to allow a Two Percent (2%) discount on property taxes if paid within two weeks after the mailing of the tax bills by the tax collector.
5. To see if the Town will vote to authorize the Selectmen to buy liability insurance on town labor and pay same out of the Highway Department.
6. To see if the Town will vote to raise the sum of \$275.00 for the Concord Hospital.
7. To see if the Town will vote to raise the sum of \$500.00 for the Pittsfield Town Dump.
8. To see if the Town will vote to raise the sum not to exceed \$300.00, for the purpose of establishing a Permanent Stone Monument with the names of World War I, World War II, and Korean Veterans inscribed thereon. (Recommended by Budget Committee).
9. To see if the Town will vote a new Heating System to be installed in the Oscar Foss Library. Present heating system to be removed and new duct work installed, — or transfer present unit in the Town Hall to the Library and install a new unit of larger capacity in the Town Hall. (Not Recommended by Budget Committee).
10. To see if the Town will vote to purchase one thousand (1,000) feet of one hundred percent (100%) dacron two and a half inch (2½") hose; five hundred (500) feet for the Center Barnstead Fire Department

and five hundred (500) feet for the Barnstead Parade Fire Department for the sum of \$1,900.00. (\$1.09 per foot). (Recommended by Budget Committee).

11. To see if the Town will vote to raise the necessary sum of money to Black Top the road starting from Dow's Corner, and extending to a point beyond the Grange Hall. (Approximately one-half mile). (Not Recommended by Budget Committee).

12. To see if the Town will vote to accept the following Trust Fund.

The sum of \$300.00 from Richard C. Foss of Pittsfield, N. H.; the income to be used for the perpetual care of the lot of Frank W. and Florence A. Foss in the Riverview Cemetery.

13. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of Title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$400.00 to defray the town's share of the cost thereof.

14. If a plan for Social Security coverage is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Road Agent as the officer to be responsible for the administration of the plan.

15. To hear reports of Agents, Auditors, Committees or Officers heretofore chosen and pass any vote relating thereto.

To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-ninth (29th) day of January in the year of our Lord nineteen hundred and sixty-five (1965).

PAUL A. GOLDEN,
LEONARD G. TASKER,
H. RAYMOND ALLEN,
Selectmen of Barnstead, N. H.

A True Copy of Warrant — Attest:

PAUL A. GOLDEN,
LEONARD G. TASKER,
H. RAYMOND ALLEN,
Selectmen of Barnstead, N. H.

REPORT OF THE TRUSTEES OF THE OSCAR FOSS MEMORIAL LIBRARY

This has been another banner year in the development of the Oscar Foss Memorial Library.

In 1964 the town raised our appropriation from \$400. to \$900. The extra funds have enabled us to open the library to benefit the local elementary and high school students on Monday afternoons from 3:00 to 5:00. We have also built new shelves, painted the interior of the library, added new lighting, purchased much needed and expensive reference books, new children's books and catalogue cards.

Mrs. Grau, the librarian, graduated from the U.N.H. school of library techniques this past summer. She has worked hard and has been a guiding force in our library and its work.

The Friends of the Library volunteers staff our library two evenings each week and this past year held an open house and food sale to benefit the library. They presented to the library a complete set of Shakespeare's work to commemorate his 400th anniversary.

The trustees and librarian meet monthly to plan and discuss the programs now underway. This year we will become charter members of the Statewide Library System. This will benefit our library and community in many ways.

We are pleased to note that more young people and adults use the library each year. They use it for reference as well as pleasure reading. The library is supported by the community. It belongs to the community. Use it regularly. Help it grow.

Respectfully submitted,

MRS. EDA ST. JOHN
MRS. EMMA PARENT,
MISS HAZEL CLARK,

Trustees of the
Oscar Foss Memorial Library.

Respectfully submitted,

JAMES J. EASTMAN,
Chief of Police.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

B. REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Barnstead:

I respectfully submit my fourth annual report as your Superintendent of Schools.

Staff

School opened in September 1964 with two new teachers, Miss Mary Crosby, a graduate of Fort Kent State Teachers College in Fort Kent, Maine, and Mrs. Harriet Greenblatt, a graduate of University of Massachusetts. This represents one additional teacher over last year to better handle increasing enrollments and, a replacement for Mrs. Dorothy Cotton who retired after serving the children of Barnstead for 22 years.

Mrs. Cotton's retirement has not gone unnoticed by her fellow teachers and friends, as was evidenced at the reception in her honor last fall. As a matter of record, the citation of the School Board is printed here in recognition of Mrs. Cotton's contribution to our school system. (See attached sheets regarding Mrs. Cotton.)

Program and Building

You will recall that during the past two years a great deal of discussion and consideration has been given to our multi-grade classes and teacher load in the Elementary School. The voters indicated the tuitioning of grade seven and eight to Pittsfield was least popular, although educationally it would have been the best plan the Barnstead parents could provide in meeting the needs of your children. This plan would have provided a future plan of having six grades in Barnstead each with a single teacher.

The alternate accepted by the voters was to add a sixth teacher and continue with combined classes in grades 4 and 5 and grades 6, 7, and 8. This plan helped the lower grades where the children benefited by being in single grades, but caused grade 4 and 5 to be combined with a total of forty children. The board has added a teacher aid to give some relief to this situation during the current year.

The problem facing us next year is similar to what we face this year, and the tragedy is that there appears to be no relief in sight according to enrollment estimates.

The enrollment figures for next fall are given as follows:

Grade 1	24 (Includes 2 repeaters)	Grade 5	16
Grade 2	24	Grade 6	20
Grade 3	19	Grade 7	20
Grade 4	25	Grade 8	11

A proposal for correcting this situation is to build two rooms on the elementary school which next year will, with the present staff and a teacher aid, allow us to relieve the all-purpose room or auditorium as a teaching station. This will not alleviate the class load in grade 4 and 5, but will give us an adequate classroom. The idea of the two rooms would allow us to add an additional teacher in the future, so we would have five teachers for the first five grades and two teachers for the departmentalized sixth, seventh and eighth.

I trust the parents will give careful consideration to the proposal for adding two rooms in order to meet the needs of the children in the Barnstead School System.

The report on curriculum and program is given under Mr. Roy's Report, as he has been assigned to this area in the elementary schools of the district, and has also filled the long needed service of direct supervision to our class rooms.

In closing I again solicit the continued support of the citizens to insure an adequate program for the youth of Barnstead.

I wish to also express my appreciation to the Barnstead School Board, the teaching staff and the citizens of Barnstead for their cooperation and support of our schools.

Respectfully submitted,

HOWARD F. KELLEY,
Superintendent of Schools.

MRS. DOROTHY COTTON

The Barnstead School District owes a huge debt of gratitude to our retiring Dorothy Cotton. At the conclusion of the present school year Dorothy will have concluded thirty-four years of devoted professional service to her school and community. Twenty-two of these years were given to Barnstead and its children who appreciate the excellent foundation offered them by this dedicated teacher.

Dorothy was born in Reading, Massachusetts, her parents were Mr. and Mrs. Thomas Buckle. In 1920 she graduated from Wilmington, Massachusetts High School and in 1922 from Lowell Massachusetts Normal School. Later she studied under Mabel C. Bragg, Reading Specialist at Boston University and more recently has continued her training to assure herself of keeping abreast of new developments through extension work in reading, science, language arts, guidance and visual aids at the New Hampshire State Colleges and the University.

After teaching the primary grades for twelve years in Massachusetts she moved with her family to New Hampshire where she has served for the past twenty-two years here in Barnstead. Her first position in Barnstead was with the South Barnstead District where she taught all eight grades. She then taught the four primary grades at the Center School and later the same grades at the Parade School until the new Central School was completed six years ago.

Dorothy has been devoted to her work and given of herself in many and varied community projects. She is a life member of Acacia Chapter No. 80, Order of Eastern Star of Wilmington, Massachusetts, the Barnstead Parade Church, the Ladies Aid of the Church, and the State and National Teachers Associations.

Besides the many school and community activities Dorothy has found time to be first a homemaker and with her husband, John, has raised a family of three children and a nephew, and are now enjoying two lovely grandchildren.

Dorothy Cotton's loyalty and conscientious attention to her profession is keenly appreciated by her fellow teachers and school officials and her absence from the Barnstead Elementary School will not go unnoticed. Perhaps being missed, as she certainly will be, is a way for people to say thank you to a good and faithful servant. Well done, Dorothy Cotton.

C. REPORT OF THE TEACHER CONSULTANT

To the School Board and the Citizens of Barnstead:

I respectfully submit my first annual report.

Curriculum

The curriculum consists of all the educative experiences under the conscious direction of the school. This, it is generally agreed, is the modern view, which differs from the more traditional concept of the curriculum as a body of subject matter to be learned.

In the older philosophy, the assigned lesson was the basic unit of instruction; in the newer philosophy, the experience of the learner is the basic unit. The modern curriculum has been described as a rounded program of living for every child, in contrast to the traditional curriculum; which is composed of a series of lessons or a collection of predetermined courses of study. The modern curriculum is usually not confined to the classroom but flows out into the life of the community and the world.

The teacher, regardless of whether his views are traditional or modern remains the key figure in the process of guiding children's growth within the framework of the curriculum. Any realistic program of curriculum development or revision must take this fact into account.

A good school program is based on the philosophy and objectives of the school. The program of a school is the means to meet the challenge of our basic beliefs and needs of the children. The three R's are basic to a good program, but at the same time, the importance of good citizenship cannot be overlooked. The atomic age is requiring our schools to meet the challenges which are new in other areas of knowledge such as mathematics and science.

We recognize that children and groups of children differ greatly. It must be recognized that there can be effective learning only as the curriculum is adjusted to the needs, interest, and abilities of the individual child and to the special needs of groups of children.

The staff of Barnstead Elementary School are constantly striving for excellence in their program for the children of Barnstead.

Some of the staff have taken extension courses to improve themselves professionally.

Your Principal, Mrs. Cayes, attended the New England Reading Conference at Poland Springs, Maine. The theme for the year's conference was "Reading for Intellectual Development". Mrs. Cayes shared the information received at the conference with her staff.

Major areas of change are in the areas of report cards and the coordination of the English Program grades 1-8. Also the coordination of the English Program at Barnstead with that of the Junior High English Program at Pittsfield. These changes are covered in more detail in the Principal's report.

Barnstead can be proud of the achievement of the faculty and children of the Barnstead Elementary School. The evidence of good home, community school relations is exemplified by an activity such as the ski program. The program being the result of a joint effort on the part of the P.T.A., school and others in the community. Things such as this show a cooperative effort on behalf of the educational program of Barnstead.

Respectfully submitted,

RAYMOND C. ROY, JR.,
Teacher Consultant.

V. AUXILIARY REPORTS

A. REPORT OF PRINCIPAL

BARNSTEAD ELEMENTARY SCHOOL

Due to additional enrollment and a sixth teacher, our main room and library became a classroom in September. Two new teachers joined our staff this year, Miss Mary Crosby, teaching the third grade, Mrs. Harriet Greenblatt, the second grade. In January, a lay helper, Mrs. Ann Carr, was added to the fourth and fifth grade. She assists Miss Black in correcting papers, taking attendance and milk count, and supervising the students that are working at their seats. Mrs. Carr also assists the teachers on the playground in the morning. It has freed the teacher so that she may give more time to preparation and teaching.

For some time the staff has felt that the report cards we are using are inadequate. Working with Mr. Roy and a group from the Governor Wentworth District, we developed three new report cards. The first card is for grades one and two, the second for grades three through six, and the third for grades seven and eight. We feel these cards give the parents a better picture of the student's progress. After using these cards for a year, we plan to evaluate them and see if any changes are necessary.

During National Education Week, parents were awarded Certificates of Attendance when they visited the school. Open House was held at the school one evening during the week. Parents were given the opportunity to take the part of the students. The staff went through a short lesson demonstrating how different subjects are being taught.

Several interesting assemblies have been presented. We were very pleased to have parents join us at these activities. It is hoped that more will attend as the year progresses.

In the fall a meeting was arranged with the English Department at Pittsfield High School. Mr. McCarthy, Mr. Roy, Mrs. Kidder, and I met to discuss and compare our English curriculum and the requirements at the high school. From this meeting a study of the English curriculum in the school was formed. To date each teacher

has outlined her program. Meetings with Mr. Roy have been held to review and evaluate the English program in our school. It is planned to continue the curriculum study in other subject areas. Studies such as these help to strengthen our school and staff.

Phonetic Keys to Reading is now being used by grades one through five. Along with a strong spelling program and reading series, students are receiving a good background in reading skills and critical thinking.

The tape recorder has been an asset to our school. It has been used in many classes for reading, music, and special programs. The students have an opportunity to hear how they sound and what improvements they need to make. It also served as a public address system for us during the Christmas Program.

First semester Mrs. Pitman and Mrs. Kidder took an extension course from Plymouth State College, Music in the Elementary School. They both worked with the rhythm band. Mrs. Kidder made instruments for the band. Mrs. Pitman wrote an original song and organized the first and second grades as the Marching Band of Barnstead.

P. T. A. is sponsoring a Ski Program at the school. Mr. Egon Zimmerman is our instructor. At present it is being offered to grades six, seven, and eight. The program runs for seven weeks, two hours a week. Those students not participating are having Arts and Crafts classes. These classes are being taught by instructors from outside the school. We are most fortunate to have facilities for these activities right here at the school.

Parents and citizens are always welcome to visit our school. Cooperation and understanding are important in the furthering of better education in our community. The community and school help to train these young people to be good citizens in their adult life. Barnstead should be proud to have these young people represent them wherever they are.

Respectfully submitted,

MARYELIZABETH CAYES,
Principal.

VI. TENTATIVE SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Barnstead, New Hampshire qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said district on the fifth day of March, 1965, at eight o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
9. To see if the District will vote to authorize the construction and equipping of an addition to the elementary school, including the purchase of necessary equipment and furnishings for the same, and appropriate money therefore and raise the same by issue of bonds, notes or otherwise and to authorize the School Board to execute any and all contracts relating thereto as may be necessary or advisable.
10. To see if the District will vote to raise and appropriate \$35,000.00, or any other sum, for the purpose of preparing plans, specifications, constructing, equipping and furnishing an addition to the elementary school and

to authorize the School Board to issue serial notes or bonds or both upon the credit of the District under the Municipal Finance Act or any other enabling authority, to pay for all or any portion of the sum or sums so appropriated and to authorize the School Board to determine the terms, conditions and provisions upon which said notes or bonds or both shall be issued, and to take any other action incidental with the foregoing in order to carry out the purpose and intent of said votes.

11. To see if the District will authorize the School Board to return to the General Fund any monies accrued as interest and/or premium from school district notes or bonds for the purpose of making any interest payments on said notes or bonds that occur prior to the next Annual Meeting.

12. To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency.

13. To transact any other business which may legally come before said meeting.

Given under our hands at said Barnstead this 13th day of February, 1965.

VERONA FRASER,
WILLIAM JENISCH,
JOHN COTTON,

School Board.
